BookLab

by RENware Software Systems

Welcome to **BookLab** world, your personal assistant in putting your ideas in practice and creating your books as you dream them.

Bine ai venit in lunea **BookLab**, asistentul tau personal in punerea ideilor tale in practica si realizarea cartlior si materialelor tale asa cum le-ai visat.

Ce poti face mai departe:

-#TODO all these routes shoud be (1.) put in `mkdocs.yml` and (2,) created

- **sa incepi o noua carte** #TODO NEWB route

- **sa creezi si sa editezi continutului unui material** #TODO EDTM route

- **sa organizari materialelor in diverse sectiuni** #TODO 0RGM route

- **sa vizualizezi si sa testezi materiale realizate** #TODO PRVB route

- **sa faci asamblarea finala a cartii in forma electronica** #TODO DPLB route

- **sa revezi manualele acestui sistem** #TODO create and change to a HELP INDEX doc... (catalok like)
